New Testament 2020: Hebrews What Do We Do with Fear? Hebrews 10

Because of the legitimate concerns about the novel coronavirus, we want to respond appropriately. We encourage those at risk to take appropriate precautions, and we want to provide a worship environment that is God-focused. One thing we have to address is fear.

What _____ you to be fearful?

What _____ your fear?

How can you _____ your fear?

Do you need to replace your fear with _____ this morning? You are safe in the Father's hands.

**The New Testament Scripture Reading
leading up to March 22:
Hebrews 12-13, Galatians 1-3**

GROVE LEVEL BAPTIST CHURCH

March 15, 2020

Welcome! Our Grove Level family is so excited that you are here today! Whether you are with us for the first time, back with us again, or part of our family, we are so glad you are here! We hope you will take a moment to download our app by searching "GLBC" in your app store. There you can introduce yourself, find out more about us, share a prayer request and much more. OR you can use one of the Connect Cards in the pew back in front of you to connect with us. Just drop the completed card in the offering plate, one of the boxes at the exits or take it to the "Guest Services" desk in the foyer for a gift and more information. We hope you let us connect with you this morning.

We are beginning our third month of New Testament 2020. This month we will be reading through the Book of Hebrews. This is so timely for us, because there is so much uncertainty in our world today. Fears about the economy, health issues, and so much more are all around us. "Hebrews" is written to folks who are struggling, too. The Sunday morning sermons and Sunday Night at 6 p.m. in Going Deeper in the Word will offer hope from the passages we are reading. Adult Connect Group leaders will be sharing from the previous week's chapters, too. I hope you will join us in God's Word
